All Steamaction Truckmounts are made with LifeTime Stainless Steel. They are equipped with a LifeTime Guarantee on all stainless steel parts, (ie) frames, Recovery & Fresh Water tanks & Heat Exchangers. WC stands for Water Cooled Blowers.

WHY WORK WITH US

Speed and flexibility are key. Once we receive your online application, the information is verified and reviewed by a member of our credit department. This allows us to get to a decision in a matter of hours, rather than days or weeks, like when working with a less flexible bank or lender.
